

The Stratford Symphony Orchestra is thrilled to celebrate its 20th season, and we invite you to join us in this special occasion. Our two decades of success are a testament to the invaluable support of our sponsors, donors, and ticket holders—thank you for being a part of our journey!

If you're interested in supporting us further or expanding your current involvement, we'd be delighted to explore how a partnership with the SSO can enhance your engagement with our audience and contribute to our sustainable growth.

Let's celebrate this milestone season together!

William Rowson
Principal Conductor and Music Director
